

Turvey Neighbourhood Plan Newsletter & Survey: Issue No 1

OUR VILLAGE NEEDS YOUR VIEWS!!

Turvey Parish Council is about to start work on developing a Neighbourhood Plan. An initial steering group has been formed from volunteers to get the process started but there will be the opportunity for the whole community to get involved.

The steering group are Paul Jenkins, Tony Smith, Hazel Morgan, Andy Richmond, Stuart Lucas, Jon Arrenberg, Katharine Partridge, Russell de Ville, and Brian Morgan.

What is a Neighbourhood Plan?

A Neighbourhood Plan provides the opportunity for a community to have a say in its own future development. It is primarily about the use and development of land but may also look at issues such as employment, transport, conservation, etc. The Plan can be wide ranging or just focus on one or two issues. It is for the community to decide on its scope and content so it is important that the plan is developed with maximum involvement of residents. Generally a Neighbourhood Plan takes around two years to develop.

What can I do?

- Help start us off by identifying the issues that the Plan should look at. You can tell us what you think by giving us your answers to the questions listed on the back of this newsletter. Get the whole family to contribute if you can.
- Give us your email address - so we can provide you with updates and seek your opinions.
- As the Plan progresses, contribute your views and maybe join a working group on issues that are of particular interest to you.

You can give us your views:

- on the back of this newsletter and drop it off at the Central Stores, Corner Stores, or the Parish Council post box on the Village Hall, or
- go online and complete a Survey Monkey at www.surveymonkey.co.uk/r/Turveyneighbourhoodplan
