

LATEST DEVELOPMENTS

- Using the feedback from the survey published in July, we are proposing key aims for Turvey's plan as follows;
 - To ensure that Turvey is a sustainable place to live, meeting the needs of local people by providing a mixed range of new housing
 - To protect and enhance the historic and rural environment of the parish
- In terms of potential locations for housing development, we have visited all the sites put forward to the Council and have been talking with landowners and their agents to understand their ambitions and aspirations for these sites.
- We have begun to set out the policy areas that will shape future development in the village and we are developing criteria for selecting sites, which will be subject to consultation.
- Planning consultant, Urban Vision Enterprise CIC, has been engaged by the Steering Group to help us to develop our plan and make sure it meets planning requirements and regulations.

COMING NEXT

- The Steering Group is planning to carry out a survey of local businesses to gather their views about what's needed to maintain local services and facilities.
- We are organising a "Village Discussion" event to talk to people about the way the plan is shaping up and to provide an opportunity for people to comment on the policy areas and the draft site selection criteria (for details see over)
- We are arranging for site assessments on all the sites put forward for development, to be carried out by planning professionals, paid for from the central government neighbourhood planning programme.
- We are planning a further consultation event in the summer when we will be seeking the views of residents about options and preferred sites for development.

Turvey Neighbourhood Plan
‘VILLAGE DISCUSSION’

Turvey Village Hall - 10.00 am 17th March 2018

Preferred options for development - how we decide

- *this event will provide the opportunity for residents to help us look at the best way to set the criteria and policies*

- *come and have your say about the ideas we've had so far about how to guide decision making*

Please book your place using the contact details below

Turvey Neighbourhood Plan Steering Group

COME and Join Us

- The Steering group consists of 4 residents (Jon Arrenberg, Stuart Lucas, Russell de Ville, Andy Richmond) and 2 Parish Councillors (Tony Smith, Paul Jenkins)

- We would welcome 2 or 3 new members to help us work on the plan

- You don't need special skills - anyone with a genuine interest in the future of Turvey would be welcome

- The group is all male at present and we would like to have more equal representation

- We would welcome involvement from people living in the May Road/Norfolk Road area

If you are interested you please contact us by email at;
