Planning for the future

BEDFORD BOROUGH LOCAL PLAN CALL FOR SITES SUBMISSION FORM

Please use this form to make a submission to the call for sites process and promote a site for development or redevelopment in the new Bedford Borough Local Plan. If you would like to put forward a potential Local Green Space for consideration please visit the website www.bedford.gov.uk/localplan2032 for further information.

This form should be submitted electronically if possible. Please return as a **WORD** document and use a **separate form for each site**. Site submission forms may be sent preferably via email to planningpolicy@bedford.gov.uk, or alternatively by post to:

Bedford Borough Council
Local Plan 2032 consultation
Planning Policy Team
Borough Hall,
Bedford, MK42 9AP

Completed submission forms must be received by 5pm on 14 December 2015.

Your suggested site cannot be considered if you do not send along with the completed submission form a **location plan** which clearly identifies the site boundary and access to a public highway. The council is unable to provide blank plans for this exercise, but Ordnance Survey plans of sites may be obtained via external companies that can be identified through an internet search (there may be a charge for this service).

IF YOU PREVIOUSLY SUBMITTED A SITE IN 2014 PLEASE NOTE THERE IS NO NEED TO RE-SUBMIT THIS INFORMATION. Please do not make submissions in more than one format or send to more than one email address. If you have sent information on a site electronically you do not need to print and post it.

Putting a site forward does not guarantee that the council will allocate it or support its development in the future, as all sites will need to be assessed in terms of site suitability, availability and deliverability against relevant planning policy and other considerations.

This form and any information it contains will be published on the council's website in due course. Contact information will also be kept on the Planning Policy database for the purposes of communication on future development of this and other planning policy documents unless you tell us that you do not want us to contact you further. This would mean that you would not receive notifications about the progress of this, or future, documents.
